

Sonshine Therapy

Pediatric Speech, Physical, and Occupational Therapy

Spring Ahead

Prepare In the Spring For Summer Schedules

At Sonshine Therapy, your child's growth and well-being are our top priorities. As the leading therapy clinic in Savannah, we are committed to providing the highest level of care for every child. To better serve your family, we are excited to share some important updates about our therapy services.

OUR PROCESS

Hiring in The Spring

Hiring season is always in the Spring. Once we hire therapists we start the credentialing process which takes 1-2 months.

Send Your Referral NOW

Sending your referral now allows us to schedule and complete your child's evaluation, the insurance authorization process and start some therapy when a therapist is available.

Easy Scheduling

Once our new therapists join this Summer, your child will seamlessly transition into ongoing therapy services on your preferred day/time!

WE CAN'T WAIT TO BE ON YOUR CHILD'S TEAM

We understand the importance of timely therapy, and we thank you for your patience and trust as we grow our team to serve your family better. Sonshine Therapy is proud to be Savannah's top choice for pediatric therapy, and we are dedicated to ensuring your child receives the care they need as soon as possible.
